8th October 2015

October Function : Technical Visit – Ngong Ping 360

Date: Saturday 31st October 2015

Time: 10:00 am to 12:30 pm

Venue: NP360, Tung Chung

Ngong Ping 360 is one of Hong Kong's 'must see' tourist attractions. Ngong Ping Cable Car is a visually spectacular 5.7km cable car journey, travelling between Tung Chung Town Centre and Ngong Ping on Lantau Island. Visitors enjoy panoramic views of the Hong Kong International Airport, South China Sea, the Tian Tan Buddha Statue, as well as the flora and fauna of North Lantau Country Park.

CHKRI has organized a unique “behind the scenes” visit to NP360 for members to the Operations Control Centre and Cable Car garage and workshop, as well as a round trip ride on the cable car to Ngong Ping. In this visit, you can understand the operations and maintenance of the cable car system.

The cost of the visit is only \$88 per person, representing nearly 50% discount compared to the regular adult round trip fare. The maximum number of participants for this visit is 20. In the event of oversubscription, a ballot will be held.

Paid-up members will be given the first priority to participate the visit and are eligible for an attendance certificate.

The itinerary is as follows:

- 10:00 Assemble at NP360 offices, Tung Chung
- 10:15 Technical visit to NP360 Operations Control Centre and Cable Car Garage
- 11:30 Cable car ride to Ngong Ping followed by members free time at Ngong Ping village

For application, each participant shall confirm to CHKRI his/her name, employer and contact telephone no. You should also provide your membership number and grade when returning your application to the Secretary by e-mail to “secretary@chkri.hk”. The application deadline is **16th October 2015**.
