8th February 2016

February Function: Site Visit to Express Rail Link Trackwork and Overhead Line in Shek Kong Depot

Date: Saturday 27th February 2016

Time: 9:30 am to 11:30 am

Venue: Express Rail Link Shek Kong Depot

Trackwork and Overhead Line construction for the Express Rail Link (Hong Kong Section) is well under progress. The Shek Kong Stabling Siding is a major access point for the project and is abuzz with construction activity on any given day. CHKRI is giving the opportunity to tour the Shek Kong Stabling Siding site so participants can gain a greater appreciation and understanding of the construction environment, methodologies and challenges encountered when delivering this large and complex track and overhead line system.

The maximum number of participants for this talk and site visit is 20. Paid-up members will be given the first priority to participate in the visit and are eligible for an attendance certificate.

The itinerary is as follows:

- 09:30 Assemble at MTR Kam Sheung Road Station, Exit A. Participants will be escorted to MTR Shek Kong Stabling Siding
- 09:45 Briefing of the works of XRL830 trackwork and overhead line
- 10:45 Commence site visit to Shek Kong Stabling Siding
- 11:30 Group Photo and End of Site Visit

For application, each participant has to confirm to CHKRI his/her name, employer and contact telephone no. You should also provide your membership number and grade when returning your application to the Secretary by e-mail to "secretary@chkri.hk". The application deadline is **19th Feb 2016**.

Successful applicants will be notified in due course before the date of the visit.
