Chairman's message

Dear Fellow Members,

2013 marked a milestone in the history of the CHKRI as it is our 15th anniversary. From our beginnings as the China Hong Kong Permanent Way Society in 1998, the institution continues from strength to strength with a wider technical base, diversifying membership and deeper relationships with our Mainland counterparts.

The culmination of our 15th year was the Institution hosting the annual Beijing Railway Society, Guangdong Railway Society and Shanghai Railway Society Joint Seminar, site visits and our 15th Anniversary Dinner from 6 – 8 December.

I would like to thank the Organising Committee and our Sponsors for the Anniversary Dinner – Henryvichy, CCQJV and Rail Technology Plus whose generous contribution is much appreciated and without whom these events would not have been such a success.

With the support of our members and Mainland counterparts, we are looking forward to further opportunities for technical and social exchanges amongst railway professionals.

With an unprecedented intensity of railway development on both sides of the border, CHKRI is uniquely placed to benefit yourself and society.

Ir LEUNG Sze Kwan
Chairman, CHKRI
