## **Chairman's message**

It is my great honour to be re-elected for the 2nd term as the Chairman in this year's AGM held on 18 March 2013. Following the AGM, we have officially announced a series of event in the remaining months of this year to mark the 15th anniversary of the formation of CHKRI. Please watch out for forthcoming notice and announcements in our website [www.chkri.hk](http://www.chkri.hk).

With the foundation laid down in the previous years and excellent advice and guidance by our President and Vice-President, Ir Adi Lau and Ir Terry Wong, we now have established a few signature events in our regular annual calendar, such as the Senior Railway Management Course co-organized with Guangdong Railway Administration and the Joint Seminar with the Railway Societies / Administrations of Beijing, Shanghai & Guangdong.

The Committee feels that the future rests with the next generation. With the support from tertiary education institutes, a Railway Seminar was held on 8 June 2013. The Grand Event this year will be the Joint Seminar & 15th Anniversary Dinner to be held in Hong Kong on 6 – 7 December 2013, so please mark your diary now.

Last but not least, I must express my sincere thanks to the continuing professionalism and dedication of the Committee Members who have all contributed their time and efforts on a purely voluntary basis to promote the railway industry and the CHKRI. We are more than happy to receive your valuable suggestions, which will definitely be a great motive for us to move forward.

Ir LEUNG Sze Kwan  
Chairman, CHKRI
